Chairman
House Committee on Transportation and
Infrastructure

The Honorable Garret Graves
Ranking Member
House Committee on Transportation and
Infrastructure

Dear Chairman DeFazio and Ranking Member Graves:

I respectfully request funding for the following Member Designated Project to be included in this year's surface transportation authorization legislation: University Boulevard at Dean Road Intersection Improvement.

The project sponsor for this project is Orange County Government, located at 4200 South John Young Parkway, Orlando, FL 32839.

This project is located at University Boulevard and Dean Road in Orlando, Florida (Zip Code 32817). The funding will be used to construct a westbound right turn lane, construct a northbound right turn lane, extend the westbound left turn lanes, and extend the eastbound left turn lanes. The project will also extend the State Road 417 northbound on-ramp, relocate utility and light poles, modify turn signals, and improve pedestrian signals and detectors. The project is an appropriate use of federal taxpayer dollars because it will improve overall safety and traffic operations in the area. This intersection currently causes gridlock for vehicular traffic between residential neighborhoods and the University of Central Florida and should be reconfigured.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Stephanie'.
